

# GLENFOYLE BLENDED SCOTCH WHISKY 3 YO

Glenfoyle was one of the blended Scotch whisky brands produced by Longman Distillers, a subsidiary of Invergordon Distillers, which handled the group's export business since its creation in 1960. It was named after a distillery near Gargunnoch that closed in 1923. Now it's in use as a warehousing facility for the output from Tullibardine distillery, Glenfoyle is, a premium blended whisky under licence from Tamnavulin-Glenlivet Distillery Co

## TASTING NOTES

Glenfoyle is a traditional Scotch whisky made from a blend of malt and grain distillates that have been aged in oak barrels for a minimum of 3 years.

This blend has a golden color, a pleasant aroma of grain and a noble round taste. With fine soft tones and a long finish. Recommended to drink slightly chilled with a drop of spring water or a cube of ice.

## TASTING NOTES

Refined and exquisite. The long years in cask has moulded and crafted this exceptional blend. Warm and attractive with luscious soft overtones of oloroso sherry completes this sensual aromatic delight. Silky smooth with warm appealing highlights of marzipan, Manuka honey, creamy caramel and Demerara sugar provocatively gives way to another level of exuberance of sweet raisins, warm vanilla, moist banana cake and freshly baked bread.
